

Tub talk is always a fine time!

# Fun in the Summer Sun!

**End of the School Year Beach Bash** We enjoyed bocce & badminton on the beach, hanging out in the hot tub, while sharing a meal, & good conversation with familiar and new friends!! What a nice way to begin summer!

**Heifer Presentations!** We offered presentations to both NBC (Early Morning Service) & PBBC (Second Hour) to the delight of many!! We are very appreciative of each congregation's interests. In turn, our experiences were meaningful, providing lasting memories. We think each congregation received something to think about as well via two activities we were taught at Heifer. **Purchasing a Pasta Supper** with \$10 of tokens from large a supermarket, mom & pop shop or a farmer's market...An aspect we learned is about **Community Supported Agriculture (CSA)** a term coming of age. Each had different amounts of payback to the community. Another exercise was **World Population vs Personal Wealth** where we attempted to correctly portion each using 100 tokens ... Another eye opener! Thank you for your support!

What's more summer fun than Bocce on the beach !?!

Group shot at the Beach Bash!!

NBC going to "market"!

Viewing a wonderful slideshow created by Co-Op Grouper Noelle that 'brought us right into the weekend'!

Working together to get the big picture of our World Map!

**Bike Bluff Point** We went biking, swimming, played games, shared a lunch, then off to Dairy Queen on one of the hottest days of the summer! What could be more perfect!?!? Our names for one... Who went? Neariah, Noelle, Nick, Noah and KNOB! After, I was able to put all 3 bikes & students in my car for a quick trip to each of their homes!

As always - simple beginnings at NBC!

I used to be able to keep up with them easily !?!?

Heavy, hot, thick fog - we felt like we were nowhere!

Can Ice cream ever taste any better?

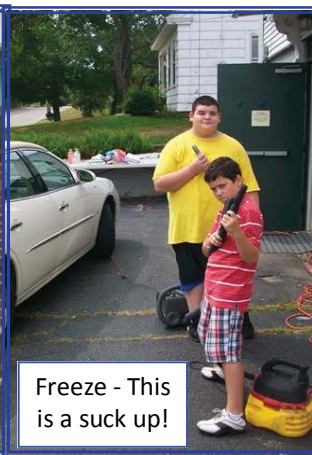

A bit tight - but safe! Yes - this photo is sideways!

**Car Washes** We want to thank the Noank Fire House again

this year for hosting our car wash! We held 2 washes again this year, and are *very* appreciative of each and every customer that we served. Together we enjoyed a hot dog lunch, good company & clean spirited cars while raising funds for our July 2012 trip to WA DC!?!? Our big trip is only one summer away!!! Those going into the 9th grade summer 2012 are eligible to go! (next page for photos)
